Ecological Communities

sandy, low-salinity, low marsh

Rocky Prairie NAP DNR

Animals

Two priority 1 animal species

Animals

Two priority 2 animal species
Two priority 3 animal species

Ecological Communities

Roemer's fescue-white-top aster grassland

Plants

One priority 1 plant species
One priority 3 plant species

Sentinel Island TNC

Ecological Communities

Douglas fir/snowberry-oceanspray forest

Shumocher Creek NAP DNR

Ecological Communities

forested sphagnum bog
low elevation freshwater wetland

Skookum Inlet NAP DNR

Ecological Communities

low-salinity high marsh
moderate-salinity high marsh
silty, moderate-salinity, low marsh

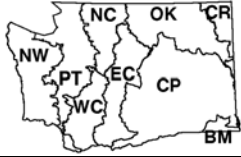

Thirteenth Division Prairie RNA USDOD

Animals

Two priority 1 animal species
Two priority 2 animal species

Ecological Communities

Oregon white oak-Oregon ash/snowberry forest

Puget Trough Ecoregion

Ecological Communities

Roemer's fescue-white-top aster grassland

Plants

Two priority 3 plant species

Waldron Island

TNC

Animals

One priority 2 animal species

One priority 3 animal species

Ecological Communities

Oregon white oak-Douglas fir/snowberry forest

red fescue-great camas-gumweed grassland

Weir Prairie RNA

USDOD

Animals

One priority 2 animal species

One priority 3 animal species

Ecological Communities

Oregon white oak-Douglas fir/snowberry forest

Roemer's fescue-white-top aster grassland

Woodard Bay NRCA

DNR

Animals

bat maternity colony

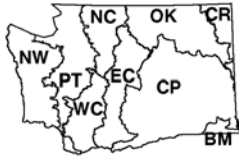

One priority 3 animal species

Yellow Island

TNC

Ecological Communities

red fescue-great camas-gumweed grassland

Priority Species and Ecological Communities in Natural Areas

West Cascades Ecoregion

Butter Creek RNA NPS/USFS

Ecological Communities

- green fescue grassland
- mountain hemlock/big huckleberry forest
- noble fir forest
- Pacific silver fir/Alaska huckleberry forest
- Pacific silver fir/Cascades azalea forest
- Pacific silver fir/coolwort foamflower forest
- Pacific silver fir/devilsclub forest
- Pacific silver fir/fool's huckleberry forest
- red mountainheather-blueleaf huckleberry dwarf shrubland
- Sitka alder-vine maple shrubland
- subalpine freshwater wetland
- subalpine lake
- subalpine permanent pond
- subalpine stream

Cedar Flats RNA USFS

Ecological Communities

- Douglas fir-western hemlock/salal-Oregongrape forest
- low elevation freshwater wetland
- western hemlock/swordfern forest
- western hemlock/vanillaleaf forest
- western redcedar forest
- western redcedar-western hemlock/skunkcabbage forest

Columbia Falls NAP DNR

Animals

- Two priority 3 animal species

Ecological Communities

- Douglas fir/vine maple forest
- Douglas fir-western hemlock/salal-Oregongrape forest
- low elevation stream
- waterfall and associated spray zone

Plants

- Four priority 2 plant species
- One priority 1 plant species
- Two priority 3 plant species

Goat Marsh RNA USFS

Ecological Communities

- lodgepole pine forest
- mid-elevation freshwater wetland
- mid-elevation permanent pond
- noble fir forest

Merrill Lake NRCA DNR

Animals

- One priority 3 animal species

Pierce Island TNC

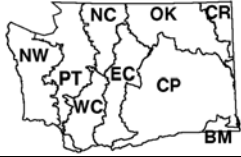

Ecological Communities

- black cottonwood-Oregon ash forest
- Columbia River Gorge wetland

Rattlesnake Mountain Scenic Area DNR

Animals

- One priority 3 animal species

Priority Species and Ecological Communities in Natural Areas

West Cascades Ecoregion

Sister Rocks RNA USFS

Ecological Communities

- noble fir forest
- Pacific silver fir/Alaska huckleberry forest
- Pacific silver fir/fool's huckleberry forest

Steamboat Mountain RNA USFS

Ecological Communities

- mid-elevation freshwater wetland
- mid-elevation permanent pond
- mid-elevation sphagnum bog
- mountain hemlock/Cascades azalea forest
- Pacific silver fir/big huckleberry forest
- subalpine fir/big huckleberry forest

Table Mountain / Greenleaf Peak NRCA DNR

Animals

- One priority 2 animal species
- Three priority 3 animal species

Ecological Communities

- Douglas fir-western hemlock/Oregongrape forest
- montane herbaceous bald
- noble fir forest
- western hemlock/swordfern forest
- western hemlock/vanillaleaf forest
- western redcedar-western hemlock/skunkcabbage forest

Plants

- One priority 2 plant species

Thornton T. Munger RNA USFS

Ecological Communities

- Douglas fir-western hemlock/Oregongrape forest
- Pacific silver fir/salal forest
- western hemlock/vanillaleaf forest

West Tiger Mountain NRCA DNR

Ecological Communities

- Douglas fir-Pacific madrone/salal forest
